Commercial Film & Photography

Located in New City City (in the Bronx) just 10 miles from Manhattan, Bartow-Pell Mansion Museum, with its splendid Greek Revival interiors and country setting in Pelham Bay Park, is a hidden gem set on 60 acres.

As the only grand 19th-century country house still in existence in Pelham Bay Park, the Museum provides an important link to the social and architectural history of New York. The Bartow-Pell Mansion and its formal gardens, renovated by Delano & Aldrich in 1916, surrounded by "forever wild" parkland, offer a beautiful location for commercial filming and photography.

Most recently the Bartow-Pell Mansion Museum was featured in ABC’s Time After Time, HBO’s Divorce, Martha Stewart Living, A&E Biography, and a Nordstrom Christmas catalog.
